

Free Mulch Giveaway

The Department of Environmental Resources (DER) is sponsoring a free, one-day “Mulch Giveaway” for County citizens, residents and employees. The event will be held:

Date: Sunday, April 27, 2008
8 a.m. to 2 p.m.

Place: Western Branch Composting Facility
6601 S.E. Crain Highway, Upper Marlboro
(from Crain Highway, proceed on Maude Savoy
Brown Road and follow the Visitors' Center
signs to the Facility)

The quality of the mulch is good; however, mulch is accepted “as is” and may contain foreign debris, such as small pieces of plastic.

A skid loader is available to load mulch into pickup trucks or residents may bring their own containers/tools. This event is restricted to non-commercial vehicles, $\frac{3}{4}$ ton maximum weight.

In addition, citizens, residents and employees are invited to tour the Visitors' Center to learn about the composting process and other County recycling programs.
